

# FIVE SPICE NEGRONI

by **RIDING HOUSE** at HOME

## PREPARING YOUR COCKTAILS:

1. Make sure everything is well chilled before you start, including your 4 glasses – short glasses, such as whisky tumblers, are ideal.
2. Empty the *FIVE SPICE ANTICA FORMULA*, *TANQUERAY GIN* and *CAMPARI* into a small jug, the fill with as much ice as you can.
3. Stir gently with a metal spoon for around 30 seconds, to let some of the ice melt ever so slightly, to dilute the mixture and make it super cold.
4. Use a sieve to strain the mixture as you divide it between your 4 glasses, add more ice to each glass.
5. Garnish each glass by placing a piece of *DEHYDRATED ORANGE* inside, then spray 2 pumps of the *ORANGE BLOSSOM MIST* on top of each cocktail before serving.
